DEDICATION

MRS. ROBERTA COX

The Annual Staff of 1955-56 would like to dedicate the forthcoming DERRICK to a teacher who for many years has cheerfully and faithfully given her service to Smackover High School.
In honor of our high esteem for the loyalty and intergrity her character displays, we have chosen MRS. ROBERTA COX as our dedicatee.

FOREWORD

FIRST ROW, left to right: Betty Cutrer, Assistant Classes Editor; Doris Traylor, Assistant Personalities Editor; Diane Gunn, Assistant Business Manager; Johnny Deaton, Snapshots Editor; Patsy Scott, Editor-in-Chief; Earl Sellers, Sports Editor; Nancie Anderson, Classes Editor; Joyce Hollyfield, Business Manager; JoAnn Blackwell, Personalities Editor. BACK ROW: Margie Weathersby, Faculty and Buildings Editor; Mrs. Nevada Thomason, Sponsor; Velma Parks, Assistant Activities Editor; Lillian Harrison, Activities Editor.

Between these covers are bound the pictorial memories of those "GOLDEN DAYS" of youthful happiness. May the pages of this 1956 DERRICK always rekindle enjoyable memories of experiences shared with fond classmates.

Love always,
Editor Scott

Sign of...

A GOOD NEIGHBOR

Producer of more than 70 *Petroleum* and *Chemical* products for Transportation, Industry and Agriculture, Lion Oil Company is proud of its leading role in the development of the South's industrial potential.

Lion sends to market each year the equivalent of more than 65,000 railway carloads of products from its three manufacturing plants in Arkansas and Louisiana. It pays approximately $17,500,000 yearly to 3,000 employees in wages and benefits, and it pays another $17,000,000 in taxes. Altogether, Lion puts nearly $100,000,000 into circulation annually throughout its territory.

Industrial development is going ahead in the South on a bigger scale than ever before. Lion Oil Company continues to lead the way with the most advanced methods of manufacturing, finding and producing vital raw materials, and in scientific research. The result: more jobs, better products for consumers, conservation of resources and more efficient use of those resources. No wonder that to Southerners, the Sign of the Lion has truly become the *Sign of a Good Neighbor!*
